CONTRIBUTING TO THE DEVELOPMENT OF SOCIALISM, WE MUST ALSO DEVELOP SCIENCE. THERE CAN BE NO ROOM FOR DOGMATISM IN SCIENCE. SCIENCE DEMANDS THAT WE DISCARD ALL THE FALSE, ERRONEOUS THINGS WHICH HAVE BEEN ASSERTED BY PREVIOUS GENERATIONS, AND THAT WE DO PRACTICAL WORK TO ARRIVE AT THE TRUTH. IN THE PRESENT DAY, THE ONLY PERSONS WHO DARE TO ADVANCE FROM ONE TRUTH TO ANOTHER, FROM ONE SCIENCE TO ANOTHER, ARE THOSE WHO ARE NOT AFRAID TO DISCARD ALL THE OLD, FALSE, ERRONEOUS THINGS WHICH HAVE BEEN ASSERTED BY PREVIOUS GENERATIONS, AND THAT WE DO PRACTICAL WORK TO ARRIVE AT THE TRUTH.
