Material Inspection - Detail Grade
Mat. Inspection Grade: 3.1 Material
Heat No: 0000000
Mat. Inspection Number: 0000000
Material: 7000000 Alloy 6061-T6 Sheet, 0.125 Thick - Typical for aircraft use. Alloy 6061 is a general purpose structural alloy. ASTM B209 Specification. Length: Random Lengths Width: Random Widths Thickness: 0.125 Tolerance: Standard Mill Tolerances Condition: Mill Finish Specification: ASTM B209 Alloy: 6061 Temper: T6 Product Form: Sheet Width: Random Widths Thickness: 0.125
